Dear Applicant,

Thank you for your interest in becoming a member of Hose Company Number 4, Inc. We have been serving the citizens of Harrisonburg and areas of Rockingham County since 1890. Our membership is comprised of 100% volunteers. We provide fire, rescue, and emergency medical services to our community.

Hose Company Number 4 operates out of two fire stations: Station 4 is located on Rock St in the City of Harrisonburg and Station 41 is located on Port Republic Rd in Rockingham County. Between the two stations we respond to approximately 2,000 emergency incidents annually utilizing ten pieces of apparatus.

Hose Company Number 4 utilizes a duty crew program to ensure emergency calls are answered quickly and efficiently. Duty crew hours are 6 pm – 6 am Monday – Friday, 24 hours Saturday and Sunday. Active members make up the duty crew during these times. Rockingham County Fire and Rescue provides two career personnel per station 24 hours a day to respond the first apparatus.

Hose Company Number 4 is seeking motivated individuals who want to make a difference in the community in which they live and work. As a volunteer, you will learn valuable skills, develop lasting friendships, and enjoy self-satisfaction, all while helping your friends and neighbors. You don't need previous experience or training; we will provide your training free-of-charge. If you don't prefer to answer emergency calls, there are many non-operational opportunities for you to help.

Funding to operate our company comes from the community. Financial stability is attributed to successful fundraising. All members must participate in annual fund raising events.
